

**Ontario Premier Dalton McGuinty's Message
for the Official Opening of the FLSC, May 27, 2008**

It is my pleasure to partake in the official opening ceremony of the Office of the French Language Services Commissioner of Ontario. I want to congratulate everyone that was involved in making this project a reality. It took a long time to come about!

Your work will not only help Ontario's Francophones, but it will enrich its community. With the new Website, the community will be just a click away.

I want to congratulate François Boileau, the very first French Language Services Commissioner of Ontario. Mr. Boileau is a well seasoned lawyer who is also a great defender of linguistic rights. He will surely do a remarkable job in representing Ontario's Francophones!

Congratulations and once again, thank you!
